

In Jane's own words:
"Face each day with a deep breath, a positive attitude and a smile knowing that every day is a blessing. Just remember that whatever comes our way, our God will help us and be there by our side."

Award

Senior ice hockey players for Downingtown High School East and West will be eligible for a \$4,000 scholarship given to each team. Jane's parents and siblings will award the two scholarships based on input from the coaches, essays, and the Sweet Jane's Wish Ice Hockey Committee.

This scholarship is awarded through Sweet Jane's Wish Foundation, an endowed fund of the Chester County Community Foundation. All scholarship funds will be issued directly to the post-secondary school the student will be attending.

This scholarship is given in the memory of Jane Gerlach Booge. Jane, her husband, Jeb and her two sons Eli and Jake were very involved in the Downingtown ice hockey community.

In February 2012, as Jane bravely fought cancer, her son's ice hockey team attempted to send her a basket of flowers. Jane graciously declined the offer, asking instead to "use the money for the boys," thus the Sweet Jane's Wish Foundation was established in her memory.

Jane lost her battle with breast cancer on September 23, 2012 at age 47.

Since 2012, Sweet Jane's Wish Foundation has granted over \$87,000 in scholarship awards to Downingtown East and Downingtown West High School seniors who have participated in the Ice Hockey and Tennis programs for their respective schools and will be continuing their education at a college, university or trade school.

Senior members of both DHS East and West Ice Hockey teams are eligible for the scholarship grant. Each school will be awarded one scholarship.
